

Oyster Bay Town Recognizes Pythians

July 24, 2010

Mid-Island Lodge #828 Knights of Pythias of Massapequa and our Grand Lodge council officers of the State of New York were honored to be recognized as we celebrated Pythian Recognition Night, on July 24, 2010 at John J. Burns Park Massapequa, NY.

Supervisor John Venditto, a Pythian member for many years, is very active in the workings of our order and in its altruistic endeavors.

Supervisor Venditto presented a proclamation to Grand Chancellor Michael Sukenick recognizing our fraternal order for being in existence since 1864 and our involvement helping the residents of Oyster Bay Town.

Following the presentation, Pythians and many thousands of residents and visitors, enjoyed a memorable concert by Felix Cavaliere, a founding members of The Young Rascals (later The Rascals) who played all their hits.
