GENESIS LODGE #64 KNIGHTS OF PYTHIAS AIDS IN PYTHIAN FOOD DRIVE

With the winds howling at 50 mph and snow flurries coming down, Jeffrey Freese together with Marty Lerner behind the camera, accompanied by Vice Chancellor Commander Richard Resnick braved the winds and snow and stood in front of Waldbaum's Shopping Center on Ocean and Voorhees with the permission of store manager Mr. Ed Henry and collected items for the Food Pantry. This food will be distributed to the many homeless in the area.

This drive is one of many that the Knights of Pythias has requested that each Pythian Lodge should participate in order that the many homeless can benefit from this drive.

For information concerning this campaign, contact Lodge Chairman, ACDGC Phil Feigel (718) 219-4178
