

Knights on Wheels

September 9, 2012

On Sunday, September 9, 2012, members of the 72nd District, with the help of Members of the Grand Council and other Pythians, ran the annual ***Knights on Wheels*** at Geomands Park in West Nyack, NY. Consumers from various homes in the area came for a BBQ and to play Games.

The Knights on Wheels is a regional community service project. Started in 1997, this annual event brings together physically and mentally challenged adults – many in wheel chairs -- for a day of outdoor fun in Rockland county.

Pythian lodges across the lower Hudson Valley region come out to host “clients” from adult and supervised living units around Rockland and Westchester counties.

The day is filled with games and a barbecue. Our aim is to bring some happiness to as many people as we can and by the smiles on the faces of those participating, it's a success.
